ethan.bvsg@gmail.com | +33782534496 | www.ethqn.fr | Nantes, France

**SUMMARY** A fifth-year computer engineering student with valuable experience as a waiter and assistant manager in the restaurant industry. Passionate about technology, I am eager to combine my growing technical skills with my management experience to contribute in a versatile and efficient way within the tech field.

<b>WORK EXPERIENCE</b>	<b>Full-Stack Engineer (Apprentice) • ELA Software</b>	<b>Oct 2025 - Present</b> Vertou, FR
	<ul style="list-style-type: none"><li>Developing a new module for ELA Build, a SaaS for project managers in the construction sector</li></ul>	
	<b>Front-End Engineering (Intern) • Pluxbox (Marketing Team)</b>	<b>May 2025 - Oct 2025</b> Hilversum, NL
	<ul style="list-style-type: none"><li>Contributed to the development of internal monitoring tools and the company's website for specific campaigns</li></ul>	
	<b>Assistant Manager • Memphis Restaurant</b>	<b>Feb 2022 - May 2025</b> Saint-Sébastien-Sur-Loire, FR
	<ul style="list-style-type: none"><li>Experienced manager with both operational and supervisory responsibilities in the restaurant industry.</li></ul>
